### AIMS AND VALUES

The College actively promotes equality of opportunity regardless of such characteristics as age; disability; gender reassignment; pregnancy and maternity; race to include ethnic or national origins, colour or nationality; religion or belief to include lack of belief, sex and sexual orientation. It values diversity and encourages mutual respect in all relationships. It works to create an inclusive environment in which all feel equally valued.

### GUIDING PRINCIPLES

The College's Equality Duty Statement demonstrates the College's commitment to the values of the Equality Act which came into force in October 2010. A key measure of the Act is the public sector Equality Duty which came into force on 5 April 2011. The College publishes information and sets objectives to demonstrate compliance with the Duty. These can be seen on the College's website.

However, achieving Equality, Diversity and Inclusion requires more than just meeting legal obligations. It involves making a difference to the lives of the people we serve, treating all people with dignity and respect, and recognising the value of each individual.

The College has a clear vision and purposeful strategy for the future. It has an absolute commitment to the success and general welfare of all its students, employees and users. As part of its commitment to equality of opportunity and inclusivity, the College will have due regard to the need to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

The College's commitment to valuing diversity and inclusion and embedding equality in all that we do can also be seen in its Mission and Strategic Objectives, Quality Improvement Plan, Whole College KPI reports and Whole College Self-Assessment Report.

Full details of the Policy and Policy Guidelines can be seen in the accompanying College's Equality, Diversity and Inclusion Policy.

## EQUALITY DUTY STATEMENT

### All staff and students are responsible for:

- Promoting equality, diversity and inclusion and avoiding behaving in a way which goes against the College's aims and values.
- Participating in training and learning opportunities as appropriate.

### **MONITORING, REVIEWING and ASSESSING IMPACT**

The College recognises the vital importance of assessing our progress in relation to targets set and the need for actions to have real and positive impact upon the experiences of all students, staff and users of the College. Each Equality Objective will therefore be analysed and reported upon in such terms.

It is intended that this statement and the accompanying Equality Objectives make a significant contribution to the culture of the College by being embedded into our robust Quality Assurance and Self Assessment systems.

### As such:

- The College monitors the experience of students, staff and users from diverse backgrounds through regular consideration of that experience at the meetings of the Equality, Diversity and Inclusion Committee, as reported to it by standing and occasional representatives. Actions arising from these meetings feed into the College's Objectives.
- The College assesses the effects of its policy and practice on applications and admissions to the College by measuring these by students from different groups. The reports of this monitoring are reported annually to the Equality, Diversity and Inclusion Committee and to the Corporation.
- The progress of students from diverse groups is monitored by value-added measure of achievement and by retention as part of the College's Key Performance Indicator measurement.
- The results of this monitoring are reported as part of the annual cycle of Key Performance Indicator reports to the full Governing Body.
- The College monitors the recruitment of staff by the inclusion of relevant questions in its equal opportunities monitoring form for applicants to posts.
- The results of the monitoring of the recruitment of staff are reported in the annual Personnel report to the Equality, Diversity and Inclusion Committee and the Corporation.
- Opportunities are sought to include consideration of Equality, Diversity and Inclusion issues in the tutorial programme and in the curriculum.
- An Equality, Diversity and Inclusion report, including a review of the College's objectives are presented to the full Governing Body.
